

Web Application Developer – Contract Position

Reporting to the president, this six-month contract position is responsible for developing, maintaining and supporting web applications. There is an opportunity for this position to evolve into a full-time opportunity for the right individual.

You are a driven, technically solid developer with a history of taking initiative in your development history. A minimum of two years' experience with ASP, ASP.NET, SQL Server, WCF, HTML, CSS and JavaScript is required. Experience with ODATA, Windows Mobile, Bar Code, RFID, WPF and Silverlight is an asset.

The Successful Candidate:

- Will be involved in software design, Internet application development and database design
- Is passionate about creating new technologies and web-user experiences
- Thrives on working under pressure in a fast-paced multi-project environment
- Works effectively in an agile, collaborative team of developers and graphic designers
- Is self-motivated, can work independently without constant supervision as well as in a team environment
- Applies initiative and creativity when approaching challenges
- Is able to communicate effectively within a development team and with clients
- Has a high attention to detail and commitment to quality
- Welcomes a challenge and being pushed professionally
- Takes an active interest in the company

Responsibilities:

- Gather, analyze and determine business requirements
- Design and develop web-based applications, interactive tools and database front-ends
- Test, find, diagnose and repair web application problems
- Recommend and implement enhancements and modifications to the website and web applications
- Monitor, analyze and report on web application usage and performance
- Track and evaluate new standards, technologies and trends in web development, design and delivery
- Assess and recommend web authoring, development and publishing tools as required
- Second-tier help desk support
- Other duties as assigned

This is a terrific opportunity for the right individual. We are a family-friendly organization with an 8:30-4:30 M-F schedule.

Salary: Commensurate with experience

Closing Date: Open Until Filled

Please send your resume to careers@toolhound.com
